

## CHAIRMAN'S LETTER TO MEMBERS . . .

Dear Member,

It is gratifying to note the rate of progress on the club re-development site and as this Newsletter goes to press the floors for our complex are about to be poured. The formwork for the swimming pool is at an advanced stage and many members have expressed to me their pleasure at the obvious advance in the building works over the past few months.

Detailed consideration of the fitout of the new club has been proceeding for some time and the club's consultants have almost completed plans for the

internal design of the club area. As you are aware many items of significant value from the old Club House have been stored away and will be utilised in the new development.

Your Committee has been gratified by the response to the opening of membership lists. It has been decided to close the lists as from 30th June, 1991. Any applications received after that date will be held pending the opening of the club when full entrance and membership fees will apply. Members are therefore advised to submit any further applications as soon as possible.

DAVID DRANSFIELD  
CHAIRMAN

# Handball Club

The introduction of the Tattersall's Handball Club to Coogee has been of great benefit to the area—the Coogee Bay Hotel is about to be redeveloped and fish have once again reappeared at Coogee after an absence of more than 20 years!

The supply of handballs remains constant but our regular handballers no longer desport themselves in the traditional Tattersall's trunks—sporting colours now add to the intrinsic colour of the game. Despite these changes the constancy of our players is remarkable.

Twice a week, Tuesdays and Thursdays, at the Giles Health Centre at Coogee the eight or so participants meet. Peter Barnes ensures a game for himself by arranging to be driven to Coogee by Phil Biber and John Barnes and David Castle often take advantage of this cheap mode of transport. Charles Robinson walks a good 200 metres to the venue whilst Bob Hill and Bruce Upcroft keep the North-South communication lines open by their attendance. Ken Glass and Bob Lipman have to make their own arrangements but rarely fail to appear.

The standard of handball just keeps improving although the players are beginning to coast in the knowledge that they have served more than two-thirds of their time away from their club.

Hopefully a new location will see a renewed interest in this great game from our club members, new and old.

## SPECIAL NOTICE

The Tattersall's Club office will be closed from and including Thursday, 2nd May 1991, and re-opening Tuesday, 21st May 1991.

Members requiring introductory cards for overseas clubs should make application to the office prior to the 2nd May 1991.

# Golf Club

A small field of 40 teed off for the 1990 Championships, but it was encouraging to have new members amongst our ranks. We hope for much larger fields in the future when we move into the new Club and are in closer contact with our members.

The weather was perfect and Manly presented us with a well-groomed course, but scoring was generally poor.

The Championship was won by current champ, Kevin Simmonds, with a 79, seven over. Considering that he now is eligible to play in the Seniors we congratulate him on his effort.

Evergreen Ron Everett took out the Veterans with a score of 86 closely followed by Ralph Davies and Roy Cato on 87.

In the novelty events, John Gowran won nearest the pin at the 18th and Arch McDonald the long drive. Bad light stopped play for the Bradman.

In the 4-Ball stableford run in conjunction, Peter Brennan and Jim Press ran out easy winners with 49 points from Rod Fisher/John Gowran, Mal McCallum/ Len Zapalla and Kevin Simmonds/Jeff Hall all on 46.

To update our membership records all existing members and intending new members should send full particulars of Home and Business addresses, phone numbers, golf club/s and handicaps to Rod Fisher, Level 9, 49 York Street, Sydney.

# Snooker and Billiards Notes

1990 was a great year for Tattersall's Club snooker and billiards players. Our Sub-Committee worked particularly hard to ensure a great tournament.

We had 102 nominations in the Annual Snooker Tournament and 61 in the Billiards. Tattersalls members have encouraged Sydney Club players to play in our tournaments and 17 players was the result.

The snooker was won by Warren Tasker who defeated Nick Shehadie in a thrilling final. Graham Walsh of the Sydney Club and I played off for third and fourth, resulting in a win for me.

The billiards was interesting. After a thrilling final I defeated David Proudman.

The Annual Christmas Snooker Tournament was a huge success. This competition is an aggregate two-frame tournament, which drew 60 players and was brilliantly won by John Simpson, who defeated George Bloomfield.

This year's annual tournaments will surpass the success of the previous two years, as this will be the last tournaments to be played at the Sydney Club, before re-entering the rebuilt premises of Tattersall's Club.

Again I extend, on behalf of the Chairman of Tattersalls, David Dransfield, and our Sub-Committee Chairman, Peter Twigg, our appreciation for the use of the Sydney Club.

Paddy Morgan has gone to the U.K. to contest the world professional titles. In his absence Herb Manglesdorf and brother Les, both NSW Amateur Champions, will referee our competitions.

Arthur O'Connor is assisting me in our office, whilst Paddy is away, and doing a fine job.

To all non-playing members wishing to join our Auction Night Dinner, held on 29th April, please contact me for seating arrangements.

The 1991 Tournaments will commence 6th May. The draw will take place after the Auction.

Finally, our appreciation to Rod Morton for his donation on behalf of Prouds Jewellers of a beautiful cutlery set and Annual Cup, and for engraving the winner's name of our Christmas Tournaments.

See all members at our functions during the year.

Doug Jordon

"Two Tatts Relay" (20 x 20) is to be held at the City Tattersalls Club on Wednesday, 8th May, 1991.

The Tattersall's Club have been winners for the past five years in succession, and we would like to retain our unbeaten record for a further year. Any new member interested in trying out for the team please do not hesitate to contact Robert Farrell at home on 953 6301 or work on 223 4888.

Last year's victorious team was composed of Peter Dale, Greg Rogers, Chris Gorman, David Fuller, Greg Gould, Mark Houston, John Robson, Robert Farrell, Paul D'e Mestre, John D'e Mestre, Baden Green, Jim Tute, Dennis Wilson, Paul Hopkins, Adrian Bouris, Steven Badger, Darren Bogg, Neil Rogers, Michael Gillis, John Fuller.

Hannan, R. Austin, M. Fairweather, G. Urate, M. McCormac, D. Robinson, D. Barnes, A. Bland. *Reserves:* T. King, J. Nicholas, S. O'Halloran, A. Torok.

## Baden Green

Special congratulations to Baden Green who recently competed in the Australian Marathon Championships in Tasmania and achieved third place (not bad for a 39-year-old crock).

We understand that Australian Swimming refused to select him on the basis that he was too old. But, it is good to see the old fellow showing the younger fellows how to do it!!

## Tattersalls Blue Water Classic 1991

The over 40's group has been particularly active with a team of six entered in the Blue Water Classic from Narrabeen to Shelley Beach. Unfortunately, adverse weather conditions cancelled the event which was to be participated in by: A. Torok, G. Urate, P. Sutton, R. Austin, A. Bland, D. Robinson. Boat Captain: R. Debney. Team Manager: T. Forrest.

This team should form the nucleus of the over 40's main team.
